Subject **RELEASE OF FUNDS TO THE EXECUTING AGENCIES**

It has been observed that in various districts work orders are not being issued in LGDP Schemes, despite the fact that the tendering process has been completed. Work orders are being delayed because funds are not transferred to executing agencies.

2. In this regard, there are clear instructions from the competent authority for release of funds from joint SDAs of DDLG / DC to the executing agencies before 10th December 2017. Despite the lapse of one month in many districts funds are not transferred to the concerned executing agencies. In districts, where funds have been released to concerned executing agencies, are directed to issue work orders immediately and upload the issued work orders on dashboard developed by the Urban Unit, so that the LGDP could be implemented in effective & efficient manner. Adherence of timelines is also one of the factor for determining the ranking of district in both LGDP & KPSPD.
