GOVERNMENT OF THE PUNJAB
LOCAL GOVT. & COMMUNITY DEVELOPMENT
DEPARTMENT

Dated Lahore 06th December, 2017.

To

All Deputy Commissioners in the Punjab

Subject:- **IDENTIFICATION OF DUMPING SITES**

Reference to video conference of Chief Secretary, Punjab dated 11.11.2017 with regards to Local Government Development Package & Khadim-e-Punjab Saaf Dehat Programme.

2. Khadim-e-Punjab Saaf Dehat Programme is being launched to improve the living conditions of people residing in Rural Punjab. Before the formal launch of KPSPDP, one time cleaning of the villages of Rural Punjab is planned. In this process "Ruhris" and solid waste shall be removed from the villages along with the cleaning of streets and drains.

3. Deputy Commissioners and Chairmen District Councils are requested to identify suitable state land, in case state land is not available then private land be acquired through leasing for dumping of solid waste during one time cleaning and also after formal launch of KPSPDP. Keeping in view the following criteria:-

- It must be state and barren land having depressions thus involving least cost for dumping. In case where landfill or dumping sites are already available the solid waste may be dumped in regular site instead of new site or getting the site on lease.
- The site should preferably be situated on main national/ provincial highways to reduce the cost of transportation;
- The site should not be located in vicinity of religious places, schools, hospitals or any other public building;

Preferably, be located at the reasonable distance from residential and other dwelling areas but not more than 15 KM away.

This is very important, special emphasis may be given to select the dumping site without any delay.
